Student at VIT Bhopal	SEP 2021 - TILL TODAY
Cipher byte Technologies	DEC 2024 - JAN 2025

PROJECTS

Gym Website | HTML, CSS, JavaScript   Feb 2023 – Mar 2023
- **Overview:** Developed a responsive gym website to enhance online presence and improve customer engagement.
- **Key Features:** Designed sections for Home, About, Meet the Team, Services, and Contact to provide a comprehensive user experience.
- **Achievements:** Improved website navigation and user experience, enhancing customer interaction and retention.

Food Website Development | HTML, CSS, JavaScript   Mar 2023 – Apr 2023
- **Overview**: Designed and developed a responsive website for a food business to showcase offerings and improve customer engagement.
- **Key Features**: Created sections for Home, Food Menu, Services, and Contact to ensure easy navigation and user interaction.
- **Achievements**: Enhanced user interface and experience, increasing customer inquiries and online presence.

Hospital Management System Development | React, JavaScript, HTML, CSS   SEP 2023 - OCT 2023
- **Overview**: Developed a comprehensive Hospital Management Application to streamline administrative processes and enhance patient care.
- **Key Features**: Implemented functionalities for managing patient records, appointment scheduling, and staff management.
- **Achievements**: Improved operational efficiency by automating manual tasks, reducing patient wait times, and enhancing data accuracy.

eCommerce Website | HTML**, CSS**   Nov 2023 – Dec 2023
- **Overview**: Designed and developed the user interface for an eCommerce website to provide a seamless and engaging online shopping experience.
- **Key Features**: Created a responsive and visually appealing layout, optimized for various devices, ensuring a smooth user experience across platforms.
- **Achievements**: Enhanced website usability and aesthetics, contributing to increased user engagement and customer satisfaction

CAREER OBJECTIVE

I seek to apply my knowledge in an organization where I can find opportunities to grow intellectually technically and professionally in concurrence with company's goals and objectives.
